Senior Prom Policy

Rationale

The Senior Prom ceremony is a school event usually held during the month of May. The primary purpose of the Senior Prom is to recognize student achievement and celebrate seniors who will successfully complete high school within that school year. It is further recognized that this event can serve as a motivator for student success.

Regulations

To attend the Senior Prom Ceremony:

1. Students must be eligible to graduate during the current school year. Students should have already completed a minimum of 22 credits and currently be taking a full course load of 14 credits.
2. Students must be enrolled in the correct number and type of courses for that school year that will lead the student toward attainment of a Level III graduation diploma or school leaving certificate from the Department of Education.
3. Students must not have more than 10% unexcused absence in during the school year. Please refer to the student handbook for a detailed list of excused and unexcused absences.

Notes:

Students not eligible may only attend as invited guests.
